Welcome

Thank you for choosing a Denon AV receiver.

This guide provides step-by-step instructions for setting up your AV receiver.

Before You Begin

Required for Setup

 TV	 Speaker cables	 Speakers
 HDMI cable	 Subwoofer cable	

Optional

 LAN cable	or	 Wi-Fi router
--	----	---

- When connecting this unit to a device that is compatible with the Deep Color, 4K and ARC functions, use a “High Speed HDMI cable with Ethernet” that displays the HDMI logo.
- These drawings are for illustrative purposes only and may not represent the actual product(s).

What's In the Box

Quick Start Guide		FM indoor antenna	
Safety Instructions		AM loop antenna	
Notes on radio		Sound calibration microphone	
Warranty (for North America model only)		Sound calibration microphone stand	
Cable labels		Remote control unit (RC-1217)	
Receiver		R03/AAA batteries	
Power cord			

- The included sound calibration microphone stand is convenient for use when performing Speaker Calibration. Using your own tripod or the supplied Sound calibration microphone stand enables settings to be automatically configured to the optimum listening environment, providing exceptionally high performance.

Setup

There are four steps to the setup process.

- 1** Installing batteries in the remote control unit
- 2** Connecting the receiver
- 3** Following the On-Screen Setup Assistant
- 4** Downloading the Mobile Apps

1

Installing batteries in the remote control unit

2 Connecting the receiver

- 1) Place the receiver near your TV and connect the power cord

2) Connect the receiver to your home network

Wired LAN

Connect an Ethernet cable (not included) between your receiver and your network router.

Wireless LAN

Rotate the two antennas located on the back of the receiver upwards for maximum performance.

3) Connect the receiver to your TV with an HDMI cable

ARC (Audio Return Channel) :

If your TV supports ARC, your TV can send audio back to the AV receiver when you are using your TV's built-in video sources (TV tuner, Smart TV streaming services, etc...) ARC requires that you enable HDMI CEC on your TV. Please refer to your TV's Owner's Manual for instructions on how to setup HDMI CEC. Note that some TV manufacturers use other names for the HDMI CEC function.

4) Turn on the TV

5) Select the appropriate HDMI input on your TV

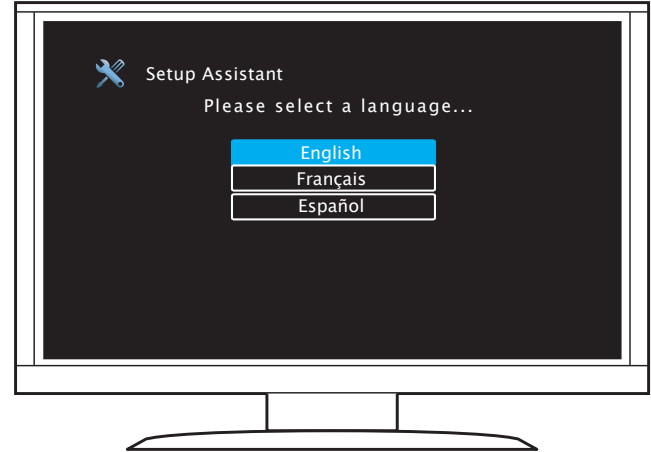

6) Turn on the receiver

- Press  to turn on the receiver.

7) Verify the connection

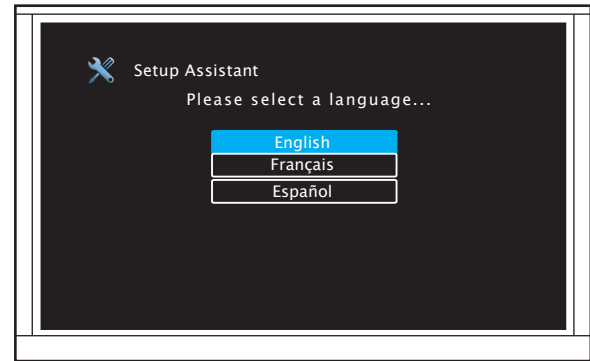

- Verify that you can see this screen on your TV.

If this screen is not displayed, please go back and retry the steps again in the recommended sequence.

3 Following the On-Screen Setup Assistant

The Setup Assistant will walk you through connecting and configuring your speakers and components to your Denon receiver. Please use the remote control and follow the on-screen instructions.

4 Downloading the Mobile Apps

Download both the “HEOS” App and the “Denon 2016 AVR Remote” App for the full home entertainment experience. The HEOS App is required to access online music through your AVR.

HEOS

The HEOS App allows you to explore, browse, and play music from many online streaming services or from your own music library.

Denon 2016 AVR Remote

Control your new AVR with the latest Denon 2016 AVR Remote App. Volume control, sound mode selection and advanced settings are always only a tap away.

Owner's Manual

- For more information, visit www.denon.com
- Refer to the Online Manual for other functions information and operation procedure details.

Online Manual

A screenshot of the Denon website's online manual page. The page has a dark blue header with the Denon logo on the left, a language dropdown set to 'English', a home icon, a search icon, and a 'Contents' link. A left sidebar contains a menu with 'Overview', 'Connections', 'Playback', 'Settings', 'Tips', and 'Appendix', each with a downward arrow. Below the menu is a 'PDF Download' link with a PDF icon. The main content area features the title 'WEB Manual' in large blue font, followed by 'INTEGRATED NETWORK AV RECEIVER' and 'AVR-X1400H' in smaller black font. Below the text is a high-resolution image of the black Denon AVR-X1400H receiver. At the bottom of the page, there is a small copyright notice: 'INTEGRATED NETWORK AV RECEIVER Copyright © 2017 DDM Holdings Inc. All Rights Reserved.'
